### STAFF DEVELOPMENT DAYS

- Five days must be identified for the purposes of staff development within the school academic year. **Three days** should be taken within the school term dates specified above and must take account (where appropriate) of the need for school closure to accommodate local, European or Parliamentary elections. The remaining day must be taken from holiday time or as twilight sessions. Staff development days cannot be brought forward from one academic year to the next.
- The timing of staff development days will not necessarily be common across all schools. Schools will notify parents of the dates of their staff development days (when the school is closed to pupils).

Schools re-open on Monday, 2 September 2013
